

EC Declaration of Conformity

The manufacturer S&P Sistemas de Ventilación S.L.U
C/Llevant , 4
08150-Parets del Vallès-Barcelona

hereby declares that the product, for use in potentially explosive atmospheres, described below

IN-LINE DUCT FANS

Tipo TD - 800 / 200 EX

Serial number All Manufactured

CE mark date 05

II 2 G Ex e II T3 Gb

complies with the requirements of the ATEX Directive 94/9/EC, based on the following harmonized standards

EN 14986:2007 // EN 60079-0:2009 // EN 60079-7:2007 //

and approved by Official Laboratory J.M.Madariaga LOM, Notified Body nº 0163, certificate nº LOM-08ATEX2052x

Additional Information:

The product design is inherently benign, and fulfills the requirements of the EMC Directive 2004/108/EC with regard to emission and immunity electromagnetic levels.

In order to avoid electrical hazards, the following standards, as published in the OJEU and according to Low Voltage Directive 2006/95/EC, have been used:

EN 60034-1:2010 // EN 60204-1:2006 + AC:2010 //

EC Declaration of Incorporation:

(Directive 2006/42/EC, Annex II 1-B)

Should the product defined above, be used as part of a machine, then it must not be put into service until the machine in which it is incorporated has been declared in conformity with the provisions of the Machinery Directive 2006/42/EC.

The Technical Director is the person authorized to compile relevant technical documentation in accordance with Annex VII part B.

Compliance with EN ISO 13857 refers to safety devices when supplied, and installed, with the product. The responsibility for compliance with EN ISO 13857 is the installer of the system where the product is applied.

We are committed to provide relevant information on this product in response to a reasonable request by national authorities.
